

Educational Transformations: Leadership, Culture and Technology

The School of Education (University of Queensland), The HEAD Foundation (Singapore) and *Universitas Negeri Jakarta* (State University of Jakarta) will host an Education Roundtable entitled “**Educational Transformations: Leadership, Culture and Technology**” on the 31st of August 2018 at the *Aula Latif Hendraningrat* of the *Universitas Negeri Jakarta* campus. The roundtable showcases transformational action plans initiated during the six-month Professional Development programme undertaken by eighteen (18) school leaders as inaugural participants of the Certificate in Educational Studies in Leadership (CESL) programme.
